- Selected in INChO in 2014 - 15
- Selected in NSEP in 2014 - 15
- NTSE Scholar in 2012 -13

I am Amay Jain, a student of FIITJEE Indore since April 2013. I enrolled FIITJEE in Two year Classroom programme (CTY 13-15). I didn't have coaching previously. Joining FIITJEE proved out to be a boon. The guidance and support needed for JEE (Adv) was indeed provided by FIITJEE.

It was really an excellent experience at FIITJEE. The environment was quite competitive. The environment and faculties at FIITJEE motivated me towards my final goal. The competitive environment and immense support of faculty members helped me to develop confidence in attempting JEE-paper.

Faculties at FIITJEE use unique ways to present a concept this induces deep interest in subject. Besides the dedication of faculties, the Classroom study Packages, Chapter practice Problems (CPP's), phase Tests, AITs, AITs etc, which were part of learning process, helped me to develop command over weak topics. AITs papers were mock JEE. They helped to improve accuracy and speed. The Review Package and Grand Master Package (GMP) improved problem solving ability. The doubt clearing session and Test analysis didn't leave any doubt unadministered.

The sole credit of my performance in various competitive examinations goes to FIITJEE  
I owe my success to my parents and my faculties at FIITJEE

**Other Achievements :**

- AIR - 16 in JEE Main, 2015
- KVPY Fellow in 2013 - 14

Hello guys! I am Anishnu Bose, a student at FIITJEE East Delhi Centre in 2 year classroom programme. My parents decided that I should join FIITJEE due to its All India presence, its past record & the scholarship awarded. The faculty at FIITJEE were really helpful & compassionate. They strengthened my concepts & always cleared all my doubts. They constantly motivated me to improve upon my weaknesses. The healthy competition among the students encouraged me to push my limits!

The study material provided was extensive. We used to get packages, CPP's, & assignments after each chapter. Sitting regularly for exams like FRQ's, Phase Tests, AITS & AITS helped me check my preparation & national position. The Archive & GNP gave me a really good idea about the JEE exam pattern.

FIITJEE also helped me achieve success in NTSE, KVPY, NATIONAL ASTRONOMY OLYMPIAD & SCRA other than JEE.

Joining FIITJEE was one of my best decision. I will always be grateful to my parents for that. I would sincerely like to thank the faculty at FIITJEE for literally holding my hands through these 2 Testing years! THANK YOU!

### Other Achievements :

- AIR - 205 in JEE Main, 2015
- Selected in NSEC in 2014 - 15
- KVPY Fellow in 2013 -14
- JSTSE Scholar in 2011 - 12
- NTSE Scholar in 2010 -11

My name is Sagar Goyal and I joined only in FIITJEE Punjabi Bagh in 2010 in Udaya One Year CLASSROOM PROGRAM and later continued through the FOUR YEAR CLASSROOM PROGRAM for IITJEE - 2015. When I joined FIITJEE Punjabi Bagh Centre many people used to tell me to join some other Institute's CLASSROOM PROGRAM but now, I would say that joining and sticking to FIITJEE's CLASSROOM PROGRAM was the best decision of my life. The faculty at FIITJEE Punjabi Bagh greeted me with utmost warmth and guided me throughout the 5 years. The teachers here, being highly qualified have immense knowledge and are excellent in clearing doubts, if any remain after the classes. The regular CPP's, classroom packages, quizzes etc. ensured that I was competing with my fellow students throughout the years and helped me prepare for the ultimate challenge - The IITJEE. The A12TS, A1TS, GMP, RTPF etc. helped me practise and get a grip over tougher questions. With the help of my teachers and the unique methodology I was able to crack NTSE, KVPY, NSEC, JSTSE and finally JEE Advanced. The concepts taught at FIITJEE were concise and deepened my understanding of the subject. For all those aspiring for NTSE, KVPY, IITJEE and various other competitive examinations, I would highly recommend FIITJEE Punjabi Bagh!!

**(Bhopal City Topper)**

Student of UDAYA - One Year Classroom Program + Four Year Classroom Program then switched to PINNACLE - Two Year Integrated School Program at FIITJEE Bhopal Centre

### Other Achievements :

- Won GOLD MEDAL in International Astronomy Olympiad - Junior (IAO-Jr.) held at Vilnius, Lithuania in Sept. 2013
- Won SILVER MEDAL in International Junior Science Olympiad (IJSO) held at Tehran, Iran in Dec. 2012
- KVPY Fellow in 2013 - 14
- NTSE Scholar in 2010 - 11 & Bhopal City Topper

I am Charles Rajan. I joined FIITJEE Bhopal Centre in class VIII to prepare for NTSE. I enrolled in FIITJEE as it is a nationwide institute and hence I could effectively compete with students across the country. Also, FIITJEE has produced unmatched results in all competitive exams in the past years.

My batch at FIITJEE Bhopal Centre was very good and highly competitive. The healthy competition in the classes encouraged me to improve further on my concepts and boosted my confidence. The teachers at FIITJEE Bhopal Centre explained every concept and strengthened my fundamentals which gave me confidence to solve any difficult question. The teachers were easily accessible and cleared all my doubts.

At FIITJEE, regular quizzes were conducted which helped me to improve my weak areas and strengthen my concepts. CPPs and FIITJEE's study materials gave me numerous questions to practise. Also, the phase tests conducted helped me in assessing my nationwide ranking which further motivated me to work harder. We were exposed to difficult and innovative questions through GMP and RTPF which enhanced our thinking capabilities. The All India Test Series and AITS helped me fine-tune my preparation by preparing me with varied test patterns which helped me during attempting JEE Advanced, 2015 exam.

This all have helped me clear NTSE with AIR 49 in 2011. I also represented India at International level and won Silver medal in IJSO, 2012 held in Tehran and Gold medal in IAO, 2013, held in Lithuania. I also got KVPY fellowship in 2014 and now secured 96% in class XII board.

In the end, I would suggest all those who are focussing on engineering as their career should join FIITJEE at an early age like me. This not only will help you to beat the competition at early age but will also develop and skill you with the required preparations. With this I would like to thank FIITJEE to bring out my potential and I owe my success to FIITJEE.

- JSTSE Scholar in 2010 - 11

Hey! My name is Aditya Sahdev. I had joined FIITJEE in class 8. I came to know about FIITJEE through my seniors. FIITJEE always bagging the top ranks made me join FIITJEE and not any other institute. The class environment at FIITJEE was healthy and we all had a great time learning together and preparing for JEE. FIITJEE teachers were awesome and helped us understand everything and clear our doubts. They always had the best examples to help us learn and were always regular in taking classes.

Quizzes, CPP's and Phase Tests helped me become a pro in all areas of the syllabus. AITS, GMP and RTPF were all ideal for revising all we had learnt. Since joining FIITJEE, there's been no looking back. My confidence level always went up all these years. FIITJEE has a major role to play in my success. I would really like to thank all my teachers for always being there for me. My tenure at FIITJEE helped me perform well in various competitive examinations like NTSE, JSTSE, KVPY etc.

Student of Two Year Classroom Program at FIITJEE Kolkata Centre

I am Arkya Chatterjee, a student of FIITJEE Kolkata (South) centre, enrolled in the Two Year Classroom Program for JEE (Main and Advanced) 2015. I have been attending weekend classes at FIITJEE for the past two years.

My Teachers at FIITJEE have played an indispensable and vital role in shaping my preparation for JEE Main and JEE Advanced (erstwhile IITJEE). They have constantly motivated me in order to perform according to my potential in these highly competitive exams. Besides, regular Quizzes and CPPs (Chapter Practice Problems) after the completion of each topic, and one-on-one doubt removal sessions have helped me to grasp the core concepts of every subject. Moreover, phase tests, AITS's and AITS's enabled me to realise my position at the regional and national levels. These mock tests even aided me in comprehending the exam hall scenario and coping with pressure in the examination hall.

The unique concept-oriented method of teaching at FIITJEE assisted me in my preparation for the board exams without making it an additional burden.
