

Rankers Test Papers File (RTPF)

Solving top quality papers prior to the examinations is a tested way to success

for JEE Main & JEE Advanced, 2018

The RTPF consists of :

- ✓ Three Part Tests and Five Full Syllabi Tests on expected JEE pattern. The test papers are independently sealed in separate envelopes with instructions printed on top to take the tests at home by simulating real examination like conditions.
- ✓ Sealed packets of solutions with guidelines to check the answer sheets yourself in a neutral way, thus giving a precise idea about what the examiner expects in your answer (there can sometimes be a marked difference in what the examiner expects and what you write, leading to lowering of scores !).

The question papers of RTPF are different from Test Series question papers. Test Series Students can opt for this package for very useful additional practice.

Although Grand Masters Package and Rankers Test Papers File have been designed specifically for JEE preparation but they have proved to be quite useful for other competitive exams also.
